Iberian Peninsula Business Aviation Conference (IPBAC)

Third Annual Edition

Growth Strategies in the "Next" Large European Hub

**Conference, Day 1: Thursday, November 14th, 2019
Madrid, Spain**

- MARKET POTENTIAL: geography, economic, market and infrastructure conditions
- KNOW-HOW: businesses, industry, investors, governments and regulators best practices EU/USA focus
- OPPORTUNITIES: strategic and tactical business aviation opportunities-global and local knowledge
- GROWTH POTENTIAL: gaining access to the "next" big development in European business aviation?
- INVESTMENT OPPORTUNITIES: from the business-private aviation perspective and industry
- THE NEXT BIG HUB: Spain and Portugal as intercontinental business aviation hubs with links to Europe, Africa, Middle-East and the USA- Americas-Caribbean
- INFRASTRUCTURE OPPORTUNITIES AND CHALLENGES: growth and development of FBOs, air navigation, safety and infrastructure in Spain & Portugal

The Iberian Peninsula Business Aviation Conference is an essential networking event for operators, OEM's, MROs, lawyers, corporate service providers, brokers, managers, FBOs, registries, tax advisors and associations interested in business aviation in the Iberian Peninsula and beyond.
